

HAPPY CAMPER

"getting to where life is good"

The 2004 Chardonnay, California, has flavors of apple and pear with a candied note. The finish is medium-broad and truncated with the addition of some spice. A quaffer.

The 2004 Merlot, California, shows blackberry, oak...on the nose. Flavors of sweet blackberry, oak, and black raspberry are joined by some dry tannins and finish medium-broad... Simple and likeable.

The 2004 Cabernet Sauvignon, California, has soft, sweet red fruit flavors which finish with an added touch of spice. An inexpensive red to serve when that is just what you need.
