### RV IDEA: Happy Camper Wine

How about opening a bottle of [HAPPY CAMPER WINE](#) on your next RV trip? Yep, what could be more perfect? The California wine comes in three varieties, [Cabernet Sauvignon](#), [Merlot](#) and [Chardonnay](#). Bubba and I tried a bottle of their Cabernet Sauvignon. Not only was it easy drinking, it was easy-opening. Hail the twist-top! And you can save your money for important things (like fuel) because Happy Camper wine is only around \$8 per bottle. (We enjoyed our Cabernet with grilled top sirloin, sautéed sugar snap peas and a tomato salad - watermelon for dessert.) What a perfect gift for the Airstream owner! Happy Camper has a store locator on their website. (Isn't that the cutest label you

have ever seen? Check-out their website for their other label designs and they are offering a toy-sized trailer as the prize in a digital photo contest!)
